

Drug Intervention Programme

Test on Arrest Pathway

Judy Thomson, DIP Manager, Camden DAT

What is DIP

Criminal Justice settings

Intervention

Motivation

Treatment

DIP Mission Statement

“Reducing drug-related crime by accessing problematic drug users, getting them into treatment, retaining them in treatment and supporting them through and after treatment and sentencing.”

What makes DIP different?

- Care Co-ordination
- Case Management
- Enhanced services
- Community-based
- Information Sharing

Test on Arrest

- Police custody
 - “Trigger offence”
 - Drug test
 - Assessment
- Inter-borough working
- Community engagement

Next steps

- Ongoing support
- Drug Treatment
- End-to-end support

Case study: Owen

- “Entrenched” client, with no previous engagement in treatment
- DIP support to access drug treatment
- On-going engagement
- Success!

Results

- Offenders in effective drug treatment
- Reducing re-offending
- Joined up systems between enforcement and treatment
